Part II

November 14, 2017

Invited Speaker:

Dr. Nihar Ranjan Ray, Plasma Physics Department, Saha Institute of Nuclear Physics, Kolkata

Dr. Asutosh Ghosh, Department of Chemistry, University Calcutta, Kolkata

Date: 08/01/2018 Time: 11 pm to 3 pm

Number of participants: 66, [Link](#)

Summary: The Seminar started with the inaugural lecture by our Principal, Dr. Indranil Kar, followed by the speaker's introduction. Both the lectures were attended by our departmental Students and teachers. Dr.Nihar Ranjan Ray delivered his Lecture on "Raman and FTIR spectra in Research field" and Dr. Asutosh Ghosh on "Coordination Chemistry in College level". We are grateful to Dr. Nihar Ranjan Ray, for his most updated concepts, informative and

thought-provoking efforts towards “Raman and FTIR spectra in Research field” and Dr. Asutosh Ghosh too, for his explanation, discussion, and for giving excellent coverage to his speech idea, on “Coordination Chemistry in College level”.

Both the speakers answered all the questions raised by the participants in the question-answer session and promised to help our students in future too. The speakers were formally given the vote of thanks by Dr. Hari Shankar Biswas, the then HOD, for their valuable lectures. All the students of our Department benefited from the Speaker's views on the subject.
