

Name of Event: Departmental Webinar

Topic: “Environmental awareness”

Presented by faculty Firdous Ahamed and 10 students of sem 2,4 & 6.

Date: 05/06/2021

Time: 6pm

Webinar Platform: Google meet

Organised by: Department of Physiology & IQAC, Surendranath College

Number of Participants: 89

Summary:

A webinar on “ Environmental awareness ” was held by Department of Physiology in association with IQAC Surendranath College on 5th June 2021 from 6:00 to 8:00 PM on Google meet platform.

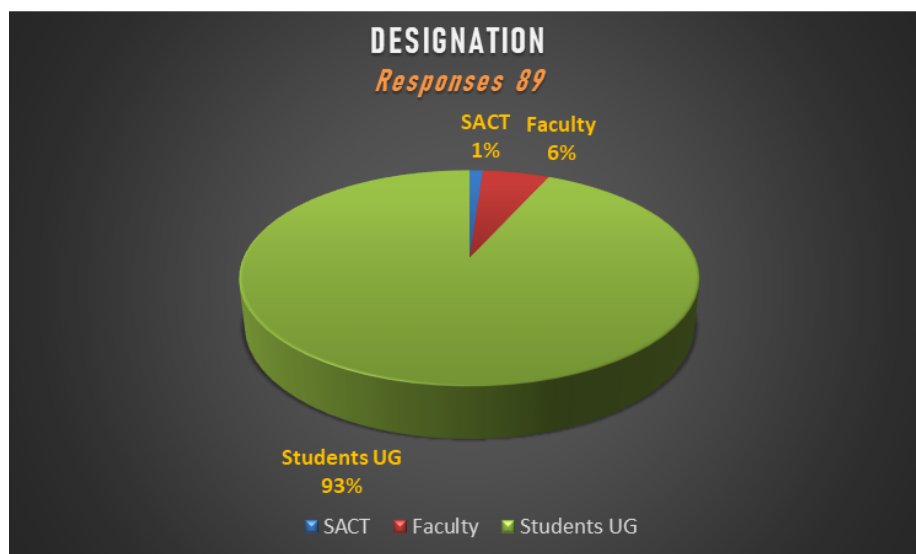

Topics on environmental issues were presented by our Departmental faculty member Firdous Ahamed and ten Departmental students from various semesters of both HONS & General courses.

Nearly 90 registered participants (Faculty members, Research Scholars and students) of different Colleges and Universities from all over West Bengal joined the webinar virtually.

The main objective of this webinar was to create knowledge and realization about environment and different factors that causes environmental pollution and health hazards.

Our Presenters elaborated on water pollution , air pollution , global warming caused by modern life style , ways to control environmental pollution and increase awareness.

The webinar ended with an interesting question-answer session and vote of thanks by our beloved Madam Dr. Mira Sil Ghosh .
