

## **Activity Report**

**Name of the Event:** Exhibition-cum-lecture on Numismatics

**Date:** 04.12.2017

**Time:** 11:00am-2:30pm

**Venue:** Chemistry Gallery

**Speaker:** Sri Binoy Kr. Kundu, Vice-President, Numismatic Society of Kolkata.  
Sri Santanu Biswas, Assistant Professor, Ramakrishna Mission Sikshana mandira,  
Belur, Howrah.

**Organized by:** Department of History

**Number of students participated :**30

**Summary:** The lecture and exhibition on the coins of ancient India was arranged to create interest among the students on numismatics. They were shown how coins could be used to know the history of the past; they were given an idea about the procedure of making coins with different metals in the ancient times and how the process evolved through the different ages.

After having shown and described a large collection of ancient coins, each student was given two coins to examine and fill up an answer sheet which was then evaluated to understand the effect of the episode on the students. On the whole, the students were thrilled to have been able to touch those objects that had once been used by people many years ago.
