Tool Bar. (Most usable Tools)

[▶] (V) → It is used to select some particular (v) clip or (a) clip or transition. Basically it is a selection tool and we can move some subject or clip by this tool (Drag & Drop)

[◢▯] Razor tool (C) → It is used to cut any (v) or (a) clip

[✎] Pen tool (P) → It is used to create an anchor dot on ~~label~~ level bar (Audio + Brightness Contrast etc)

[✋] Hand tool (H) → It is used to move whole timeline

[T] Text tool (T) → It is used to type any text on video project
