Sujata Saha

But i want to thank Sravasti for putting a lot of effort in creating this wonderful e-magazine...
Thanks to my team...

15:05

Absolutely.. the entire magazine was beautifully edited and organized like beads of a necklace which was so strenuous job. Sravasti all alone has done this by herself even amidst her physical ailment... my sincere gratitude to my dear sravasti.. 🙏😊

I am delighted to announce that after Zoology, Economics and Geography, **Department of Psychology, Surendranath College** has also come up with their e-magazine **Moner Canvas!** I sincerely congratulate all the faculty members and students of Psychology Dept. for this beautiful presentation. Hope everyone would love exploring it. Happy reading!
