KPMG Ideation Challenge (KIC) 2022

KPMG in India is back to take the celebrations a notch higher! In this season of Ideation Challenge, you will be coming up with an advanced solution that helps an organisation/industry of your choice and the world at large with decarbonization and makes this planet a better place.

Eligibility Criteria: All students pursuing undergraduate/bachelor's degree/post-graduate programs in STEM (Science, Technology, Engineering, Mathematics) and Business, with at least one year remaining of their studies.

What's in it for the students?

- A shot at being considered for a **PPI / PPO** by KPMG in India
- Prize Pool of **INR Eight Lakhs**
- **Guaranteed internship** with KPMG for top 2 teams
- Opportunity to pitch ideas to venture capitalists (VCs)
- Access to an offline networking event with industry leaders
