

Apart from the Central Library of the college the Department of Economics has its own Departmental Library where the students can avail its facilities. The students can explore the collection of books ranging from Macro Economics, Micro Economics, Statistics, Mathematics, Indian Economy, Public Finance, Development Economics, Environmental Economics, Research Methodology, Reports of the Government and International Organizations and so on to even classics from Bengali and English Literature & Poetry.

The main objectives of the Library are:

- To provide easy access of resources to students so that their interest in academy and research is fostered.
- To help students prepare their study materials as per the course syllabi.
- To make available the books and documents required by faculty members in order to prepare for the instructional courses.
- To bring books, students, teachers and scholars together on a common platform, thereby encouraging reading for pleasure, self discovery, personal growth and sharpening of intellectual curiosity.
- One can enquire in the Department about the procedure to avail access.
