Sociology is nothing but other way of viewing reality—the reality which in the words of E mile Durkheim, *Sui-generis*. Here is an attempt to reflect ongoing aspect of this new normal social reality.

HABITAT

“Notice that autumn is more the season of the soul than of nature.”

“The silence of nature honestly speaks louder than any words.”

“Listen to silence. It has so much to say.”

HABITATION

“Nobody is exempt from the trials of life, but everyone can always find something positive in everything even in the worst of times.”

“What saves a man is to take a step. Then another step.”

*“Everyone wants **HAPPINESS**, no one wants **PAIN**.*

*But you can't make a **RAINBOW**, without a little rain.”*

“You were given this life because you are strong enough to live it.”

কিসের জীবন কিসের আশা, বিশ্বজুড়ে মারণদশা;
জাতির প্রাণে করোনাভাস, চিনে নতুন ভাইরাসের চাষ ॥
দুরত্ব মেনে বাজার করা, ব্যাপারটা নয় মোটেও সোজা;
পাকস্থলীর অবস্থা আজ, ডিমের গুদাম আর আলুর বস্তা ॥

The greatness of a culture can be found in its festivals.

*“She is a wild, tangled forest with temples and treasures
concealed within.”*

“In violence, we forget who we are.”

At any given moment you have the power to say, “This is not how the story is going to end.”

“Sometimes painful things can teach us lessons that we didn’t think we needed to know.”

So life must go on, by living the reality...

Sui-generis.
