

## Student Review Projects Published as Book Chapters

Title of the Book Published	Title of the Book Chapter	Name of the Teacher	Year of Publication	ISBN/ISSN Number of the Book	Name of the publisher	National / International
Therapeutics: Key to Well Being	Medicinal Properties of <i>Tinospora cordifolia</i> (Willd.) Miers: A Review	Dr. Dipasree Roychowdhury	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	Some Traditional Medicinal Plants of West Bengal: A Short Review	Dr. Amit Saha	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	Ethnomedicinal Uses in West Bengal, India	Dr. Jayanta Sikdar	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	An Overview of the Properties and Pharmaceutical uses of Bioactive Compounds from Sesame ( <i>Sesamum indicum</i> L.)	Dr. Suranjana Sarkar	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	A Synoptic Review on the Pharmacological Properties of <i>Ocimum sanctum</i> L.	Sonali Ray	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	Investigational Treatment of Covid-19	Dr. Lalita Das	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	Review on Ruthenium (II) Anticancer Complexes: Challenges and Expectation	Dr. Lalita Das	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	The Story of Aspirin: - Journey from Willow to Wander Drug	Hari Shankar Biswas	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	Cisplatin: The Most Widely Used Anticancer Drug	Apurba Biswas	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	Investigating the Pathomechanisms of Diabetic Retinopathy: The Cost of Diabetes	Dr. Subhadipa Majumder	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	Diversity of Poisonous Snakes in India	Manish Kanti Biswas	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Therapeutics: Key to Well Being	Monoclonal Antibody in Cancer Therapy: Overview	Dr. Subhadra Roy	2021	978-0-6488798-4-8	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	An Updated Review on Pharmacological Properties of Ginger ( <i>Zingiber officinale</i> Roscoe)	Dr. Dipasree Roychowdhury	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	Biotechnological Applications of Phototrophic Purple Nonsulfur Bacteria	Baishali Pandit	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International

Recent Advancement in Biological Sciences	Ocimum sanctum L., Phytochemistry And Effect on Cancer Cells	Kousik Ghosh	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	A Short Review on Gastric Cancer	Dr. Lalita Das	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	A Review on Curcumin and its Derivatives as Anticancer Agents	Dr. Lalita Das	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	Bio-Inks for 3D Bioprinting: A Scientific Analysis of Two Decades of Progress, Challenges and Future Prospects	Suchandra Chatterjee	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	3D Bioprinting: Various Methods and Techniques for Tissue and Organ Regeneration	Suchandra Chatterjee	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	An Overview on The Threats and Conservation Strategies of Royal Bengal Tiger ( <i>Panthera tigris tigris</i> ) in Sundarban, India	Dr Adity Sarbajna	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	Induced Pluripotent Stem Cells (iPSCs): A Highway Under Construction	Dr. Subhadipa Majumder	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	Polycystic Ovarian Syndrome Thieving Womanhood	Dr. Subhadra Roy	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	Impacts of Covid-19 Pandemic	Tarikul Islam golder	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Advancement in Biological Sciences	Inorganic Nanoparticles	Apurba Biswas	2021	978-0-6488798-6-2	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Economic Importance of Soil Microorganisms	Baishali Pandit	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Endangered Medicinal Plants of India: A Short Review	Dr. Amit Saha	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Emerging Pollutants (EPS): Water and Wastewater Pollutants: A Short Review	Dr. Jayanta Sikdar	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Antifungal Properties of Pteridophytes – An Overview	Dr. Suranjana Sarkar	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Explosive pollination mechanism in flowers of Hyptis (Lamiaceae)	Sonali Ray	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Biofuels: Synthesis, Mechanism, Utility, Problems, Future scope	Sourav Misra	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International

Sustainable Development: A Way Forward	Properties and Application of Graphene Oxide	Hari Shankar Biswas	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Recent Progress on Covalent Organic Framework material for Catalysis in Sustainable Remediation	Dr. Noor Salam	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Nano Pesticides in Agriculture: Emerging Contaminants or a Road to Sustainability?	Suchandra Chatterjee	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	A Review on Biology and Conservation Status of Olive Ridley Turtle ( <i>Lepidochelys olivacea</i> ) on The Coasts of Orissa, India	Dr Adity Sarbajna	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Value and Conservation of Biodiversity in India	Manish Kanti Biswas	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Study of Wetland Ecosystem	Tarikul Islam Golder	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Climate Change	Suman Tamang	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Sustainable Development: A Way Forward	Importance of Bryophytes	Nilofer Khatoon	2021	978-0-6488798-7-9	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	Photocatalyst- Characterization and Application in Photochemical Water Splitting	Sourav Misra	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	1,3-Dibromo-5,5-Dimethyl Hydantoin (Dbdmh): A Useful Brominating Reagent in Organic Synthesis	Harisadhan Ghosh	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	Synthesis, Characterization and Structure Modelling of Graphene Oxide	Hari Shankar Biswas	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	A Brief Idea About Protein-Protein Interactions Modulators	Apurba Biswas	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	Metal Organic Framework: A Future Tool for Nano-Catalysis and Drug Delivery	Suchandra Chatterjee	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	Artificial Molecular Machines with Bio-inspired Mechanisms of Natural Molecular Devices: An Overview	Suchandra Chatterjee	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	Variational Monte Carlo Approach for Solving Quantum Mechanical Systems	Sourav Mitra	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	A Review on the Phenomenological Theory of Phase Transitions	Asok Kumar Das	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International

Recent Trend in Physical Sciences	Characteristics of the Detectors for Nuclear Radiation	Prasanna Kumar Mondal	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	Optical Phase Locked Loop Advancement	Purnendu Prakas Pal	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	Coulomb Blockade Effect in the Context of Set	Ranjit Maity	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	Electromagnetically Induced Transparency in Coherent Atomic Media	Aparajita Das	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	Limitations of Mosfet Scaling and its Solution	Emona Datta	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
Recent Trend in Physical Sciences	A Comprehensive Study of the Past, Present and Future of Solid-state Drive	Shib Shankar Biswas	2021	978-0-6488798-5-5	Lincoln Research and Publishing Limited, Australia in collaboration with Lincoln University College, Malaysia	International
