## **Activity Report**

**Name of the Event:** Departmental Student's Seminar

**Date:** 29.11.2022

**Time:** 11:30 AM to 3:30 PM

**Organised by:** Department of Botany, Under DBT Star College Scheme, GOI.

**Number of Participants:** 35

**Summary:** The seminar session started with an introductory note from Kousik Ghosh, HOD, Department of Botany. Thirteen Semester V students participated actively and presented lectures on different topics selected by them. Each student was allotted 5 minutes for presentation and 2 minutes for question answer session. Four faculty members from the department were present to guide them and comments on the areas they need to improve on. Six recent alumni were also present in the occasion, who not only interacted with the students at the end of seminar but also provided technical help during the session. The main purpose of the event was to make students comfortable with public speaking and train them in making powerpoint presentations, nearly all the students performed well. Additionally, presence of ex-students pursuing Masters Degree in different subjects gave them an added opportunity for interaction and friendly guidance. Overall, the event was successful and inspiring for the participants and organisers equally.
